The Prestige Group, India's largest developers, marked this auspicious festive season with the launch of Prestige High Fields. This high-rise premium residential development will showcase the company's signature style of design and quality catering to global standards, with well-planned architecture and extensive landscaping.

In addition, Prestige High Fields is all set to become a landmark in the city as the first-ever Disney-themed residence in Hyderabad. This event also marked the launch of the striking Show Homes, the interiors of which have been aesthetically designed by Morph Design Company.

"Hyderabad has always been a very strong market with its quality infrastructure and strong presence of the Service and IT industry. There's also a strong new government in place, contributing to industrial growth and development.

Moreover, with the Metro Rail providing connectivity among the popular IT hubs, the city is on a very exciting growth trajectory! All this and more has contributed to the demand for residential property going up significantly. Now is a good time to invest in a home," said CMD Prestige Group, Irfan Razack.

"The beauty of the city lies in the fact that it is an elegant blend of traditional and modern architecture. With its unique Disney theme, Prestige High Fields has been designed to integrate the best of modern lifestyle and Hyderabad's charm, while remaining child-friendly," he added.
